## Let's get this party started!

We should all stay home and stay safe in these times of coronavirus, but we should still be celebrating all the precious occasions of life - baby showers, baby arrivals, birthdays, engagements, anniversaries, business openings, product launches, weddings...

Perhaps in these uncertain times, ALL THE MORE we should celebrate the joys and milestones of our lives!

Let Milk and Honey Event Design create celebrations to remember, in the safety and comfort of your homes or offices.

Planning your celebration is a breeze with Milk and Honey Event Design. Just call, email or whatsapp us, tell us the theme and we work the magic. Everything you need will be sent to you with simple instructions for set up. Then just enjoy the party.

It doesn't get easier than this.

## **TERMS & CONDITIONS**

All prices are before GST.

All bookings should be confirmed with deposit paid at least 4 weeks prior to the event date, to allow time for planning and sourcing of the materials. Orders are only considered confirmed once invoice is sent and deposit is paid.

Offerings in our Virtual Party Package except for events held in Trehaus, do not include any setup and teardown. Items will only be delivered to your venue and pick-up provided for booking that includes our rental items.

A minimum spending of \$200 and delivery fee applies.

For any last-minute booking (if your event is less than 3 weeks away), we are able to take in the booking should the requested slot be available. However there is a 10% surcharge of the total charges.

Any changes must be made at least 2 weeks prior to event date.

Our servings cater to the no. of guests based on your order. We encourage you to order an extra 10% to act as a buffer for your guests.

We do not provide takeaway boxes/containers for leftover food.

A surcharge of 10% applies for bookings that fall on a Public Holiday (Christmas Eve, Christmas Day, New Year's Eve, New Year's Day, Chinese New Year, Hari Raya).

We do not offer samples of our catering, cakes and desserts at the moment.
