TREHAUS FAMILY CLUB

Imagine a weekend where me-time, family time and time with your dearest friends effortlessly coexist.

Picture this: you head out together as a family, to a warm, welcoming space, a **home-away-from-home**, where your children enjoy a spacious indoor playground while you and your spouse leisurely have a cup of gourmet coffee with your friends.

Then you catch up on some work or life admin before heading downstairs to Funan for a meal, shopping, or a movie. This is what Trehaus Family Club is all about.

A routine that works for the whole family.
